In Picton we board our coach and travel through to Blenheim, where 50 years ago there was hardly a commercial grape grown in the Blenheim area. Now the Marlborough district is the top wine producing area in New Zealand with its wines winning awards around the world. Today we visit one of the **premier wineries** of the Marlborough region to sample some of their delicious wines. We dine this evening in the hotel restaurant.

### Day 3 Friday 05 November 2021

#### GARDEN MARLBOROUGH FESTIVAL (BLD)

Today we visit the **Rapaura Springs Garden Marlborough** event. On this day tour, we'll be taken to the paradise of Marlborough's most unique and sensational gardens, travelling along the spectacular eastern seaboard and through the valleys and plains of the Marlborough country side and into Blenheim's urban hideaways. It's not only beauty, form and colour, but energy, passion, hard work and diversity that see gardens selected for our tour. We will have a volunteer guide that will host us throughout the day. These friendly and helpful people will pass on their knowledge of the region and give background information and history on the province as we travel between the glorious gardens that make up our tour of Marlborough. A light lunch will be included today. We will be introduced to

the garden owners and they will share their wonderful gardens with us. Our day concludes with a dinner at the hotel.

**Day 4          Saturday 06 November 2021**

**BLenheim – CHRISTCHURCH          (BD)**

Depart Blenheim and drive along a thin ledge of land pinned between the blue waters of the Pacific Ocean and the rugged ranges to Kaikoura, where the mountains meet the sea then travel across the farmlands of the North Canterbury Plains. Continue south where on our arrival we **enjoy the sights of the 'Garden City'**. Highlights include the River Avon, the Canterbury Museum and Arts Centre, Bridge of Remembrance, and the Spanish Mission inspired New Regent Street. Tonight we'll enjoy a group dinner at the hotel.

**Day 5          Sunday 07 November 2021**

**CHRISTCHURCH – ASHBURTON          (BLD)**

After breakfast today we enjoy a guided tour of **Christchurch Botanic Gardens**, where land was first set aside in 1849. The first oak tree was planted in 1863 to mark the marriage of Edward VII and development has continued over the years, including a native New Zealand garden, the Cockayne garden of native alpine plants, the renowned central Rose Garden, extensive herbaceous borders, a floral conservatory and a fernery. More recent additions include an alpine house and a house for bromeliads and orchids. Departing Christchurch our next garden visit is **Akaunui Historic House and Gardens**. The Akaunui garden was originally designed by Alfred Buxton, established over 100 years ago. During the last 15 years major developments have taken place and the garden now covers six hectares and includes magnificent old trees (both native and exotic) and a wide variety of recently planted species. There is a pond, a creek and a bog garden, a woodland garden with a large collection of rhododendrons and associated plants; formal and less formal gardens, many roses and a productive vegetable garden. The garden complements the imposing century old double storey brick homestead. Today **enjoy lunch at the Akaunui Homestead**. On our return to Ashburton we visit **Trott's Gardens**. The woodland area was developed around a series of gently curving paths. Later the water gardens were added and finally the English inspired formal gardens. The layout is such that the garden areas are integrated yet contain elements of surprise as visitors explore. Dinner tonight is included at the hotel.

*Accommodation: Hotel Ashburton, Ashburton – 1 night*

**Day 6          Monday 08 November 2021**

**ASHBURTON – DUNEDIN          (B)**

From Ashburton we travel down the coast through Timaru and then Temuka, which is known for its pottery and Oamaru with its lovely white stone buildings. Stop at Moeraki Boulders to see these unusual giant marble-like boulders on the beach before arriving into Dunedin, a city proud of its Scottish Heritage. On arrival, we head out to the Otago Peninsula, firstly to visit the gardens surrounding **Larnach Castle** which present a more formal aspect with an expansive lawn and symmetrically planted conifers, and you could perhaps imagine yourself at a country house in Scotland. However, just beyond the wishing well lies a rainforest garden full of unfamiliar native species: ponga, kauri, totara, rimu and cabbage trees. Our next stop is the **Glenfalloch Woodland Gardens**, situated in a coastal valley overlooking the magnificent Otago Harbour. Sheltered by a ring of pine and eucalypts, Glenfalloch features original European trees from 1872, with much underplanting. In the summer, native clematis climb the trees, with peonies and lilies flowering beneath. There is also a bush walk through ancient matai, where birdlife includes tui, bellbirds and native pigeons. We then travel back into Dunedin to settle in for the evening. Dinner tonight is at leisure.

*Accommodation: Distinction Hotel, Dunedin – 1 night*

**Day 7      Tuesday 09 November 2021**

**DUNEDIN – TE ANAU      (B)**

Today travel through the southern suburbs of Dunedin and on to the fertile Taieri Plains where sheep and dairying are the primary industries. Travel past unique Lake Waihola and then through undulating farmland crossing the fast flowing Clutha River at Balclutha. We stop for a visit to **Maple Glen** – a 25 acre private garden, nursery, aviary, woodland and wetland set in the rolling green countryside of Southland. Maple Glen is home to a large population of native and exotic birds including hand reared parrots and waterfowl. Continue west arriving in the country town of Gore on the banks of the Mataura River for a visit to the **Gore Public Gardens**. The present design is based on the historic layout and incorporates many mature trees such as the gigantic Wellingtonia and horizontal elms planted at that time. Among the exotic trees and shrubs are a number of rare and unusual specimens including those in the extensive conifer borders. This afternoon arrive in Te Anau where the mountains of Fiordland National Park are easily seen in the distance. Dinner tonight is at leisure.

Fiordland National Park, part of the Southwest New Zealand World Heritage Area is one of the great wilderness areas of the Southern Hemisphere. The scenery is spectacular with lofty mountains and deep valleys carved out by Ice Age glaciers. There are clear rushing streams and leaping waterfalls set in magnificent native rainforest. We board a comfortable vessel at Milford Sound Wharf and **cruise down the fiord past Mitre Peak** to the Tasman Sea enjoying the stunning scenery of cascading waterfalls, dense rainforest, steep cliff faces and marine life that inhabits these waters. We'll enjoy a picnic lunch while onboard. Return to Te Anau travelling via the Cledeau Gorge, Homer Tunnel and the lovely Eglinton Valley.
