#### WARBIRDS OVER WANAKA AIRSHOW (B)

Today we take the journey across to Wanaka for our tour highlight – the **Warbirds over Wanaka Airshow**. This event held biennially is the largest warbird airshow in the Southern Hemisphere and showcases some of the world's best examples of WWII flying aircraft in action. There is the option to upgrade at extra cost to a Gold Pass. Warbirds Over Wanaka is famous for attracting a wide variety of privately owned Warbird aircraft along with their modern-day counterparts from the Royal New Zealand Air Force (RNZAF), Royal Australia Air Force (RAAF), United States Air Force (USAF) and French Air Force. While the aircraft are the main focus of the event, there are a lot of other displays on the ground which have made this show so successful over the past 33-years. Some of the aircraft already confirmed for the airshow are the Yak-52 aerobatic team, the Polikarpov 1-16, the RNZAF Helicopter NH90, RNZAF Hercules C130H and the RNZAF SSH-2G(I) Seasprite with many more to be announced closer to the date of the show. At the conclusion of the day's events, we retrace

our journey back to Queenstown. Tonight is at leisure to sample some of Queenstown's excellent restaurants, cafés and bars.
